YOU SHOULD BE MONITORING YOURSELF FOR SYMPTOMS, INCLUDING FEVER, EVERY DAY

No Symptoms

Don't Call

Come to Work

Ŧ

Sore Throat, Nasal Congestion, Muscle Aches

Stay Home

Call Your Manager In A Timely Manner As
Directed By Your Programs Policies

Wait It Out at Home
Get the Care You Need
Be Symptom Free For at least 24 hours.

If Symptoms Last More Than 48 hours or Get Worse:

Call your PCP or

Call Intermountain Coronavirus (844) 442-5224.

Fever of 99.9 or Above, Cough, Shortness of Breath

Stay Home

Call Your Manager In A Timely Manner As Directed By Your Programs Policies

Get tested for Coronavirus (Test is free even without insurance, co-pays waived)

https://intermountainhealthcare.org/covid19-coronavirus/get-testing

Positive Result: Stay Home Until You Are Cleared By The Health Department or Your Doctor

Negative Result: Stay Home Until You Are Symptom Free For 24 Hours, Without the Aid of Medication

If Positive Call Your Supervisor or Human Resource Manager
