Notice: Process for CoC Planning Project in the FY2022 HUD CoC Competition

I. OVERVIEW

The Salt Lake Valley Coalition to End Homelessness is responsible for oversight of the Salt Lake City & County Continuum of Care and Salt Lake County Government is the Collaborative Applicant. The County will submit an application for CoC Planning dollars as part of the FY2022 HUD CoC Competition.

Only one CoC planning project application may be submitted per CoC per funding year. The project applications for CoC planning must be submitted by the Collaborative Applicant, which must match the organization listed as the Collaborative Applicant in the CoC Applicant Profile in *E-snaps*. HUD is not ranking CoC planning and projects in the FY 2022 CoC Program Competition so **they will not affect a CoC's available amount for new and renewal project applications.**

The amount of planning dollars available to each CoC is 3 percent of FPRN. For the Salt Lake City & County Continuum of Care that amount is **\$285,592.**

II. ELIGIBLE APPLICANTS

Per Federal Regulation ([24 CFR 578.3](#)), only the Collaborative Applicant is eligible to apply for CoC Planning Dollars in the FY2022 Continuum of Care competition.

III. APPLICATION PROCESS

The County will follow the instructions for completing the Planning Application within *E-snaps* per HUD instructional guides and information contained in the NOFO. The County will post its draft *E-snaps* application to its website for review in advance of the HUD submission deadline.

The final application for CoC Planning Dollars will be submitted by the Collaborative Applicant after approval by the Salt Lake Valley Coalition to End Homelessness Steering Committee along with the Collaborative Application and related Project Applications as outlined by the NOFO.
