Supported Living Services

Each Service Provider will develop a signed Care Plan and Tenant Housing Services Contract/Participant Rights and Responsibilities between the participant and the service provider.

Both documents will be submitted to ltss_housing@utah.gov for approval.

Once the service provider is enrolled as a Medicaid provider for the HRSS program and a participants Care Plan and Tenant Housing Services Contract/Participant Rights and Responsibilities are approved, Medicaid billing for authorized services provided can begin.

The State of Utah operates a formal, comprehensive system to ensure that the waiver services meet the assurances and other requirements contained in this application. Through an ongoing process of discovery, remediation and improvement, the state assures the health and welfare of participants by monitoring: (a) level of care determinations; (b) individual plans and services delivery; (c) provider qualifications; (d) participant health and welfare; (e) financial oversight and (f) administrative oversight. The state further assures that all problems identified through its discovery processes are addressed in an appropriate and timely manner, consistent with the severity and nature of the problem.

Quality Improvement

Current Process
