

HUD Withdraws CoC NOFO

- December 8-FY 25 COC NOFO Update

- The Department has withdrawn a Notice of Funding Opportunity (NOFO) with respect to the Continuum of Care (CoC) grant program. This withdrawal will allow the Department to make appropriate revisions to the NOFO, and the Department intends to do so. In the previous FY 24-25 NOFO, the Department reserved the right to make changes to the NOFO instead of processing renewals for a variety of reasons, including to accommodate a new CoC or Youth Homelessness Demonstration Program (YHDP) priority or new funding source. The Department still intends to exercise this discretion and make changes to the previously issued CoC NOFO to account for new priorities. HUD anticipates reissuing a modified NOFO well in advance of the deadline for obligation of available Fiscal Year 2025 funds.
